## Material information

### Colour

Furniture with colour finish has an evenly attractive, hard-wearing surface.

### Load-bearing capacity

The load limits for all furniture and extras can be found in the load table at:  
<https://qrco.de/rauch-belastungstabelle>

### Raw materials from nature

In the production of the wood-based materials for our furniture, we rely exclusively on uncontaminated, fresh weak and storm wood from local, sustainable forestry operations. Strict tests by neutral institutes continuously confirm the safety of materials and processes.

### The „Blue Angel“

The German government's eco-label for low-emission furniture that is harmless to health. Articles covered with textiles or artificial leather are excluded.
